

DELTA

The platform stairlift for straight staircases

The Delta platform lift is the perfect solution to make straight indoor and outdoor staircases accessible for the wheelchair driver. The smooth transport of electrically powered wheelchairs is guaranteed by a loading capacity of 300 kg. Thanks to the aesthetic and user friendly design, this lift fits into any environment and will improve the users independence and quality of life.

The robust construction ensures a long working life and a reliable performance. Confirming to the highest safety and quality standards, the Delta is an inexpensive way to manage staircases in a pleasant way. Due to the extremely slim and compact design the platform occupies only a minimum of space, keeping the staircase free of obstruction.

Handset on spiral cable on the platform allows to comfortably control the platform while sitting in the wheel-chair or on the folding seat

Landing controls in an elegant design can be used as handheld controls or can be fixed to the wall

Joystick on the platform as an optional control function

Delta - Technical Specification

Facts

Loading capacity	Standard 225kg (optional 300kg)
Platform width (min-max)	std 800mm (annan storlek offereras vid förfrågan)
Platform length (min-max)	std 1000mm (annan storlek offereras vid förfrågan)
Possible gradient	0 – 52°
Speed	0,06 – 0,12 m/s
Noise level	Under 60dB
Temperature range	+45°C down to -15°C
Minimum folded width	300 mm
Power supply (for charger)	1 x 230V / 50–60Hz
Certificates	 TÜV certified according to EN 81-40
